-- RELATED APPLICATIONS

The present application claims priority from German Application No. 100 54 541.6 filed on November 3, 2000, which is hereby incorporated by reference in its entirety. --

On page 6, at lines 29-32, please replace the last paragraph with the following:

-- The foregoing is illustrative of the present invention and is not to be construed as limiting thereof. Although a few exemplary embodiments of this invention have been described, those skilled in the art will readily appreciate that many modifications are possible in the exemplary embodiments without materially departing from the novel teachings and advantages of this invention. Accordingly, all such modifications are intended to be included within the scope of this invention as defined in the claims. In the claims, means-plus-function clauses are intended to
